

Colorplay for Quilters

Supplies:

- 1. Bring pictures of natural world, i.e. sunsets, flowers, landscapes, rocks, plants, etc.**
- 2. Medium gray fabric for foundation to fuse on about 1 yard.**
- 3. In order to make a value gradation you will need: black, white, range of grays solids or small prints ranging from dark to light, have or buy 1/8 yd. and fuse Wonder Under or any fusible on back.**
- 4. In order to make the color value gradation you will need: 1 color, (solids or small prints, 1/8 yd. or any scraps you have at home) and try to bring 7 different values of that color, i.e. very pale blue, pale blue, light blue, medium blue, medium dark blue, dark blue, almost black blue. We just need a small piece of each color, but bring whatever you have to trade. It will save class time if all your fabrics and scraps have fusible already applied to the back.**
- 5. ruby beholder or red sheets of acetate
pins, scissors, matt, ruler, rotary cutter, teflon sheet
extra fusible, Wonder Under or Misty Fuse**
